Suzy Moyer, President 2010-2011

Top 'o the day to all of you! When you read this, I'll be traipsing around Ireland visiting as many pubs as I can find!

Just a little note: if you're missing our club's newsletters, it's because you haven't paid your 2011 dues. The Board decided that if you hadn't done so by April 1st, we're not sending you a Newsletter. However, that doesn't mean

you'll never get one again. All you have to do is join this wonderful group of like-minded women and WOOLA! You're back on the list!

A special thanks goes out to Lorie Noble for donating that wonderful Ronald Reagan treasure for the opportunity drawing last month - and - also volunteering to be our Chaplain.

At our first time "Conversation with Coffee". Come an hour before our meeting, interesting subjects were discussed. I'm hoping the number will grow and we can gain some interesting knowledge and ideas. Believe me, some of you are pretty doggone informed about current issues. This is great - Keeps us on our toes! Suzy

Top Ten Things Obama Never Told You About Obamacare
From Americans For Tax Reform on Wednesday, March 23, 2011 9:26 AM

1. Did you know that . . . since Jan. 1 of this year (2011), you cannot use your flex-account at work (FSA) or health savings account (HSA) to purchase over-the-counter medicines?
2. Did you know that . . . since July 1 of last year (2010), Americans have been paying a 10 percent excise tax on all indoor tanning services?
3. Did you know that . . . starting in 2018, if your health insurance is “too good” or considered a “Cadillac” plan, then you will incur a new 40 percent tax on your health plan?
4. Did you know that . . . Obamacare has 21 new or higher taxes in it, totaling over \$500 billion in increased taxes going to the government over 10 years?
5. Did you know that . . . beginning in 2014, individuals and families that do not purchase “qualifying” -- as defined by federal bureaucrats -- health insurance will be forced to pay a yearly tax penalty?
6. Did you know that . . . 7 tax hikes in Obamacare directly break President Obama’s “firm pledge” not to raise any form of taxes on individuals making less than \$200,000 per year and families making less than \$250,000 per year?
7. Did you know that . . . the capital gains tax rate under Obamacare will rise to 23.8 percent starting in 2012? That is a 59 percent increase from its current rate.
8. Did you know that . . . in 2013, those Americans facing the highest medical bills and the least ability to pay for them will find their ability to deduct medical expenses is further limited (medical expenses must be reduced by 10 percent of income under Obamacare, rather than current law’s 7.5 percent)
9. Did you know that . . . beginning in 2014, businesses with over 50 employees will be forced to offer health coverage for everyone, or pay a hefty tax for each employee?
10. Did you know that . . . in 2013, Obamacare caps the amount individuals and families can put in their flexible savings accounts at \$2500? Currently there is no cap and these accounts are used for a myriad of health expenses including paying upwards of \$14,000 in tuition to special needs schools for some parents?

Republican women’s clubs have existed for over 100 years. The Republican Platform of 1872 said “The Republican Party is mindful of its obligation to the loyal women of America for their noble devotion to the cause of Freedom”. The oldest club on record was founded in Salt Lake City in the late 1880s.

The National Federation of Republican Women (NFRW) was founded at a conference held at the Palmer House in Chicago, September 23-24, 1938. The purpose was to promote education along political lines with these goals:

- To elect Republicans to local, state and national offices
- To recruit women into the Republican Party
- To bring women together to positively impact our nation
- To identify and lobby for Republicans initiatives and ideals

The California Federation of Republican Women (CFRW) as established in 1925 as a grassroots organization offering the membership political education, leadership training, campaign involvement and candidate recruitment. The state has 213 clubs who hold monthly meetings at various times and locations. The clubs are committed to educate and inform our members. CFRW is affiliated with the NFRW headquartered in Alexandria, Virginia.

Estero Bay Republican Women Federated was chartered in 1962. It was originally called Morro Bay RWF but the name was changed in 1996 to encompass all three communities from which we draw our members: Morro Bay, Los Osos and Cayucos.
