VOLUME I ISSUE I

JANUARY 2012

Estero Bay Republican Women Federated P.O. Box 395 Morro Bay, CA 93443

*President: 2012
Jacqueline Crumpley,*

Let me tell you a story. There once was a soldier who went off to war. He allowed a neighbor to take care of all he had. When he returned from his long battles he saw that everything he owned was gone. The

neighbor had used up, sold or squandered his home and all his possessions. He was devastated to see what he had before was suddenly gone, but he vowed he would never allow someone else to take charge of his possessions without oversight again. He rebuilt, he increased, and he watched over all he had.

As a conservative American, many of us experienced the same thing. We went to war fighting for our cause, and while we weren't looking a hungry government squandered our Social Security, our children's future, our national security. It's time to rebuild, but we must never let the irresponsible govern our lives again. This year let us work to place responsible people in government who will do the right thing, not the selfish thing.

Speaker: Chris Mitchum for U S Congress

I am the candidate for Congress to rid us of the Obama Presidency and all its corrupt manifestations. In the primary election I will not be running against Able Maldonado or Tom Watson or any other Republican candidate. I will be running against President Obama in his local incarnation Lois Capps. After I win the primary election I will not be running against Lois Capps whose only

relevance is she's Obama's sycophant. I will be running against President Obama and his anti-American agenda of socialist government. I am the candidate for Congress who is dedicated to make sure "that government of the people, by the people, for the people, shall not perish from the earth."

For your information and clarification.

Due to population fluctuations congressional districts can change.

When this happens it starts a domino effect changing other district numbers.

We are now District 24.

Voter Registration

Don't ask what your country can do for you ask what you can do for your country.

Voter Registration Chairman
 Sandi Tannler will be looking for help and lots of it. We are requesting every member sign up to volunteer at least once. The plan is to staff a voter registration table once a month leading up to the

2012 election. Voter Registration Kickoff Ralphs, Los Osos 01/28/12

Please let Sandi know of any activities or places in the Estero Bay area that would be good access to the public.

Yard Sale Fundraiser – March 31, 2012 – Saturday – 2920 Greenwood Ave Morro Bay

We will be joining the Morro Bay City Wide Yard Sale weekend. I will need help collecting, sorting and marking the week prior to the Sale. We will need at least 4 people selling in the AM, and 4 for the afternoon. DO NOT bring items to the meetings. Just set the items aside at your house and beginning in March I'll start collecting at my house. Remember, the more help we have the easier it is to have a successful sale. What to sell? Here is a partial list.

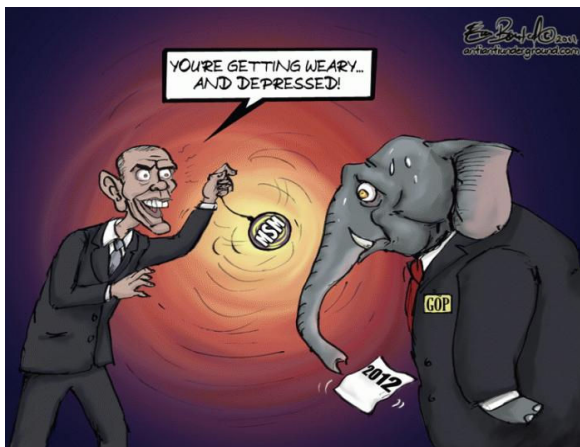

NO CLOTHING, we won't have the resources to display. Clothing is best donated to Goodwill – what they can't use they recycle to a rag making company. Also, no large appliances or furniture – too heavy to lift and move – Sell these items on Craig's List and donate the money to the club.

Dishes/glass ware	pots and pans	iron skillet
Coffee pots/toasters/small appliances		tea pots
Platters/serving dishes	coffee cups	knick-knacks

End tables/small furnishings	patio furniture	lamps
Linen-folded, tied, and marked (all kinds of linens)		purses and bags

Food for Thought

Doug Wilson of the Heritage Foundation asks us to consider the following questions regarding any pending legislation

1. Is this the government's business?
2. Does it make us more self-reliant?
3. Is it responsible?
4. Does this legislation made us more prosperous?
5. Does it make us safer?

This cartoon says it all. Don't be complacent but don't let the news, any news do this to you. The current administration and their minions can not run on their record so it will make every attempt to depress the electorate. Take all you read with healthy dose of skepticism and much research. You need to be informed which will make you strong and positive.
